February Wine Specials

Chocolate may not solve all the problems of the universe but it is a well known fact that it makes people smile!!

- ◆ Buy any 4 or 5 week wine and take home a box of **Chocolate Seashells**
- ◆ Buy any 6 or 8 week wine and take home a beautiful box of **Botticelli truffles** or premium chocolate.

Not sure what to pick? Here's a couple of suggestions for each price point.

Great value [4 week] : Vino del Vida Gewürztraminer \$4.10 [\$123] and Vino del Vida Sangiovese Merlot [formerly known as Chianti] \$4.17 [\$125] for your house wine.

Amazingly good [5 week]: Grand Cru International Washington Merlot for \$5.33 a bottle [\$160] and the California Muscat \$5.08 a bottle [\$152.5] make a solid and yummy pair for your cellar. Drinkable this summer.

Pamper yourself [6 week]: Winery Series South African Sauvignon Blanc \$6.66 [\$200] and Winery Series Rosso Grande Eccellente \$6.66. Hide until Christmas!

The **Top Hat Pinot Grigio** is our Super Special this month. **Free bottles and a free wine crate!** What can you expect from this 8 week super premium Pinot? It ain't your typical light Pinot Grigio.

This one has body and depth balanced with notes of pear and pineapple. The surprisingly long finish makes this a wonderful accompaniment for your Easter ham or turkey! You'll have 15 bottles of delight for \$135.

From now until the end of March, any of the Top Hat varieties come with free **bottles**. Splurge and try one soon!

What's in a Name?

We're changing the names of some of our red wines to comply with European Union legislation which stipulates that only wines produced and bottled in that region may use the specific name. It is a pain in the wine bottle neck but nothing we can do about it. In general, the white wines are not impacted. It's mainly the Italian reds that both suppliers are renaming.

Of course how you label your wine is up to you.

Each supplier is responsible for coming up with new names. There will be some confusion and duplication but we will help you make sure you're getting the wine you've enjoyed in the past.

A partial list:

Brunello	Sangiovese or Sangiovese Merlot
Barolo	Nebbiolo
Valpolicella	Valpola
Chianti	Sangiovese or Sangiovese Cabernet or Cabernet Merlot
Amarone	Amarone Style

February Beer Special

We're reformulated our classic India Pale Ale [IPA] to be a bit hoppier but still smooth. Save \$15 this month for \$150!

Community Board

- ☉ **Wanted:** volunteers to help paint the back room! We're looking at a Sunday in March. We'll supply pizza and bevies. Let us know if you're interested!
- ☉ Got some wine or beer gear you want to sell? Let us know by email and we'll post it in the newsletter.

Rules of Engagement:

You start the beer or wine. That means you add grains [beer], yeast [wine], or one of the other key ingredients to start the fermentation. You settle your tab and sign the small print [see below]. We do the rest of the work. You come back to bottle your treasures.

It's that simple! Have fun, save money and proudly bring home great beer and wine! THE SMALL PRINT

I, _____ have purchased the ingredients and started the fermentation to brew this excellent product for my own personal or family use, not for resale or commercial purposes. The brew charge includes rental of all necessary equipment until I bottle. I authorize the operator to hold this product until I return to bottle and take home my wine or beer. I will abide by the Ubrew rules and sample no more than 3 oz while I bottle.

Best ubrew for 6

ICED SODA!

Discovered this one by accident! Try it when you are thirsty and don't want pop or a cooler. With or without ice. Refreshing!

One part ice wine
Three parts club soda
Crushed ice [f summer]

Who knew ice wine could be so versatile? We've used it for sauces, marinades, martinis and now a light refreshing alternative to chemically colas. We're working on a chili infused ice wine too!

Readers' Choice! Thank YOU!

We are honoured to be named the best ubrew by the readers of the Surrey Now! That's six years in a row! [Every year since we bought SR Brewing.]

Stay tuned for your invitation to our thank you party in March.

Good news on the horizon...

Some of you have mentioned BC's proposed liquor reform and are curious how it will impact us.

On first read, we saw that some of the restrictions around tasting at wineries and micro-breweries will be relaxed. That's great but it doesn't affect us. On site tastings in a Ubrew are not addressed in the information we have seen so far.

On closer read, they are proposing to allow ubrew and uvint products to be served with Special Occasion Licenses! Hurray!! You are required to get a SOL for means weddings, receptions and private parties. Many of our clients have been forced to pay absurd prices to serve mediocre commercial wine at their celebrations.

We whole-heartedly applaud the proposed changes. We look forward to helping you plan your next special event!
