Rules of Engagement:

You start the beer or wine. That means you add grains [beer], yeast [wine], or one of the other key ingredients to start the fermentation. You settle your tab and sign the small print [see below]. We do the rest of the work. You come back to bottle your treasures.

It's that simple! Have fun, save money and proudly bring home great beer and wine! THE SMALL PRINT

I, _____ have purchased the ingredients and started the fermentation to brew this excellent product for my own personal or family use, not for resale or commercial purposes. The brew charge includes rental of all necessary equipment until I bottle. I authorize the operator to hold this product until I return to bottle and take home my wine or beer. I will abide by the Ubrew rules and sample no more than 3 oz while I bottle.

Retail is Changing

You've seen us bring in all kinds of new innovative things over the years. Stay tuned for more changes!

We were the first shop in the lower mainland to carry our great bling shirts from Chris Stuff and we have an even bigger selection of fun-ware and fun-wear to offer you. Check out our newest designs in Bling shirts, napkins, coasters, teatowels, umbrellas and even purses!

From Vinturis to Vancouver island Sea Salt to LB Emporium rubs, we've enjoyed sharing our new discoveries with you. And we're always looking for the next find. And that's not changing!

What is changing is a **new retail section** dedicated to the home vintner. As some of you know, RJ Spagnols is closing their retail store on Annacis Island. That means a whole bunch of home brewers won't have a convenient place to get their supplies, and perhaps more importantly, to get some expert advice when needed. Stay tuned!
