

501-BREW

SCOTT ROAD BREWING

Once Upon A Thyme

You may have noticed some unusual activity upstairs at the brewery. [And if you haven't, be sure to check it out next time you are in the brewery to begin your batch or to bottle.]

Starting next month, we are opening a ladies consignment store in the mezzanine level. In addition to our exclusive line of wine themed T-shirts, we will offer gently worn clothing and vintage jewellery and other treats.

So as you do your spring cleaning, keep this in mind. Talk to Jane about listing some of those great pieces that you don't think you will wear again.

Or if you have a small fashion business that you'd like to promote, let's do a trunk show!

Unsold items will be donated to the newly opened World Serve Thrift Store in Hillcrest Mall in White Rock. [PS They are accepting donations of clothing, and housewares!]

You raised over \$1,000!!!

Thanks to all who joined us on March 21 for our Open House. Together, we raised \$1,205 for the new neonatal unit at Surrey Memorial Hospital. The silent auction raised over \$800.

Special thanks to Sports City Butcher for donating the amazing burgers. [If you missed the open house, we still have a bunch of 10% off coupons.]

Thanks also to Ole Pii of Park'n Fly, Spagnols, Vineco and Maintenance Plus for their generous prize donations. And very special thanks to George Cunningham and his son-in-law Stu Bolan for manning the grill and bringing the homemade pickles that perfected the burgers.

A good time was had by all!

Food pairing. What to serve with what?

- 8. Rare meats need young tannic reds. Well done meats need older or fruitier wines with less tannin.

What is tannin? Think of tea. A light brew will be less tannic than a tea which has steeped longer.

In wines, Bergamais and Merlot generally have lower tannin than Cabernet Sauvignon or Shiraz but this varies by kit. To accompany your favourite pot roast or stew, pick an older wine [at least 6 months!] especially any of the Supertuscan blends. To match a great rib-eye, pick a Carmenere, Cabernet Sauvignon or Old Vines Zinfandel.
