SCOTT ROAD BREWING

SUMMER SIPPERS & OTHER NEWS

If you like **coolers**, you'll want to try our newest ones. Yes, we still offer the Vinoka line but we are also offering cooler versions of the fruit wines. We add a bit more water to bring the alcohol level to 6% and we carbonate the wine. Will yield roughly 27 litres. The cost is the same as the fruit wines [\$130/\$140] plus \$5 for carbonation. As an introductory offer, for kits started in May the carbonation is free.

Cellar Craft has brought out a **new** California Malbec Shiraz in their Sterling line. Well-priced at \$150! Make it now to enjoy this fall.

HST is [probably] coming. We will be adjusting our prices soon. To help the budget-conscious, we'll knock \$5 off the price of a kit if you do not label or shrink. [Applicable on regular priced wines]. PS If you are madder than heck and don't want to take it any more, we are working on having a petition signing event so you will be able to **sign your petition at the brewery**. Stay tuned for the dates!

Rules of Engagement:

You start the beer or wine. That means you add grains [beer], yeast [wine], or one of the other key ingredients to start the fermentation. You settle your tab and sign the small print [see below]. We do the rest of the work. You come back to bottle your treasures.

Wasn't that simple? Have fun, save money and proudly bring home great beer and wine!

THE SMALL PRINT

I, _____ have purchased the ingredients and started the fermentation to brew this excellent product for my own personal or family use, not for resale or commercial purposes. The brew charge includes rental of all necessary equipment until I bottle. I authorize the operator to hold this product until I return to bottle and take home my wine or beer.

Once Upon A Thyme

We are up and running! Come see our selection of gently used ladies clothing, accessories and jewelry. We have casual, business and evening wear already in stock and more coming in every day. We are open for browsing while you bottle as well as Thursday and Friday evenings and Saturday. Other viewings can be arranged on request.

Consignment intake by appointment. Articles need to be cleaned, and on hangars.

If you have a small fashion or related business that you'd like to promote, let's do a trunk show! Have a unique product that you would like to showcase, call Jane and let's talk.

Unsold items or items not suitable for consignment will be donated to the newly opened World Serve Thrift Store in Hillcrest Mall in White Rock.

Congratulations! Danielle Bolan won the April Draw for a gift certificate!
