

We hope you're coping with the heat wave! [Remember it when the snow arrives!] It's too hot to be reading a long newsletter so we're compressed it to one page with the August specials.

Choose from seven of our most popular varietals [kinds of grapes], and in each case have offered a 4 week version and a 6 week version. Something for every palate, and every budget.

We're going to be closed this coming Sunday as well as next Sunday.
