501 - BREW

Sept 2015

Back to School Specials

Summer isn't quite over but the chill is in the air, the kids are back at school and your wine cellar is empty. No worries. We'll help you replenish with yummy affordable wines that you can enjoy for the holidays. **For the month of September, all of our 5 week wines are on special at 15% off.**

Grand Cru International category offers a full style range. For whites, we love the Italian Pinot Grigio and the Muscat. Washington Merlot and our very own BC Pinot Noir make a great team.

There are plenty more so come by and pick up a catalogue or talk to us about your preferences.

Rules of Engagement:

You start the beer or wine. That means you add grains [beer], yeast [wine], or one of the other key ingredients to start the fermentation. You settle your tab and sign the small print [see below]. We do the rest of the work. You come back to bottle your treasures.

It's that simple! Have fun, save money and proudly bring home great beer and wine!

THE SMALL PRINT

I, _____ have purchased the ingredients and started the fermentation to brew this excellent product for my own personal or family use, not for resale or commercial purposes. The brew charge includes rental of all necessary equipment until I bottle. I authorize the operator to hold this product until I return to bottle and take home my wine or beer. I will abide by the Ubrew rules and sample no more than 3 oz while I bottle.

Some of the red wines come with oak cubes to add complexity. They're perfect for adding a unique smokiness to your BBQ. Ask for some if interested.

We also hoard used corks so if you know anyone who wants them for any repurposing, let us know. We literally have thousands. Free!
