Rules of Engagement:

You start the beer or wine. That means you add grains [beer], yeast [wine], or one of the other key ingredients to start the fermentation. You settle your tab and sign the small print [see below]. We do the rest of the work. You come back to bottle your treasures.

It's that simple! Have fun, save money and proudly bring home great beer and wine!

THE SMALL PRINT

I, _____ have purchased the ingredients and started the fermentation to brew this excellent product for my own personal or family use, not for resale or commercial purposes. The brew charge includes rental of all necessary equipment until I bottle. I authorize the operator to hold this product until I return to bottle and take home my wine or beer. I will abide by the Ubrew rules and sample no more than 3 oz while I bottle.

PORT FOR THE HOLIDAYS

Once again, we're getting ready for the holidays. In addition to traditional fortified port, we have the most incredible range of flavoured ports. Apple, Toasted Caramel, White Chocolate, Orange Chocolate, Cream Sherry, Chocolate Hazelnut, Chocolate Strawberry and Coffee. How about a cross section.... 6 different kinds, 4 of each [375 ml]. THE BAD AND THE GOOD

We will be increasing our prices in November. Our suppliers have increased prices and we will be passing this along to clients in November. On average the increase will be 5%. Stock up in October to save!
