November Specials

This month, we're showcasing the **Vino del Vida** line from RJ Spagnols. Great little four week wines any time of year and perfect for the ramp up top the holidays.

Here's the deal; **save 10%** on all **Vino del Vida** wines! Buy 2 and you get a **free hand crafted wooden gift box** in addition to 10% savings [value \$10]. Buy 3 and get a **wooden wine crate** that holds 15 bottles in addition to 10% savings [value \$25] Buy 4 and we'll throw in a **30 bottle wine rack** plus your 10% savings [value \$75].

The **Vino del Vida** selection includes 25 different wines. Eight of them represent Country of Origin which means that the grapes were sourced from one specific country. Does that make a difference? You bet! If you like a particular style, it is worth a bit more for the Country of Origin designation on your batch. Australian Chardonnay [4/4/0], Italian Pinot Grigio [0/2/0], Australian Shiraz [2/4/0] and California Cabernet Merlot [2/3/0] would give you almost a perfect instant wine cellar! These are regularly priced at \$126.78 [**\$113.55** this month, under \$4 a bottle!!].

The other eighteen **Vino del Vida** wines are global blends and each is specifically designed to produce a smooth easy drinking wine that you can enjoy within a few weeks of bottling. In the line-up, we have the ever popular Gewurztraminer [0/4/1] and the dry crisp Verdicchio [0/2/0] as well as a Barolo [1/4/0] and a Cabernet Sauvignon [3/3/0]. These are priced at \$121.78 before the discount [**\$109.18** this month, oh for goodness sake just grab a few!]

Just for fun, check out our in-store selection of **Orchard Breezin** Fruit wines. These are 8% ABV which is a bit lighter than regular wine and comfortable for holiday sipping. Save 20% on any in-stock Orchard Breezin! You can still have them for Christmas!

Rules of Engagement:

You start the beer or wine. That means you add grains [beer], yeast [wine], or one of the other key ingredients to start the fermentation. You settle your tab and sign the small print [see below]. We do the rest of the work. You come back to bottle your treasures.

It's that simple! Have fun, save money and proudly bring home great beer and wine! THE SMALL PRINT

I, _____ have purchased the ingredients and started the fermentation to brew this excellent product for my own personal or family use, not for resale or commercial purposes. The brew charge includes rental of all necessary equipment until I bottle. I authorize the operator to hold this product until I return to bottle and take home my wine or beer. I will abide by the Ubrew rules and sample no more than 3 oz while I bottle.

SRBrewing Surrey's Best

Hightails are in!

These wines are pressed within 48 hours of harvest. Only the best. We've been winning medals on these ever since we tried our first Hightail. They are released each fall and we never know in advance which wines will be Hightailed.

We have two Hightails this year, a **Merlot** and an **Ehrenfelser**, both from the Okanagan. The **Merlot** is lightly oaked and rich in the deep dark fruit that we love in a Merlot [3/3/0]. The **Ehrenfelser** is unique. Golden like liquid sunshine with tones of honey and tropical fruit. [0/2/2].

Each is \$250 for a full batch [30 bottles] or \$130 for sharing. Quantities are limited so don't be disappointed. Order yours now. These are worth the splurge. Just tell Santa that you have to have one or both of this year's Hightails! You deserve the best!

Baked Brie en Croute

There are many baked Brie variations but this one wowed the ladies at Ladies' Night. Be sure to pick up the Onion Garlic Jam! Only \$7 at the brewery. Last minute guests are never a problem when you have these three ingredients on hand!

1. Small round of Brie [yes, Camembert will do just as well]
2. Pillsbury Weiner Wraps [yes, the croissant version works as well]
3. Trugs Onion Garlic Jam

Unwrap the pastry carefully. There will be 8 pieces, so remove 2 and reserve for decorating. Center the Brie [or Camembert] on the pastry, then lift off gently. Spoon the Onion Garlic Jam [about a tablespoon] onto the pastry and place the Brie on top. Close/seal the pastry so the nice even layer is on top and the seams are on the bottom. You can use the reserved pieces of pastry to cut out fancy shapes and place atop the sealed pastry before it goes into the oven.

Bake 375 for 12 minutes or until golden. Please let rest for at least 2 minutes before cutting into it. Slice, serve and enjoy! And do not admit how simple it was to make!
