Rules of Engagement:

You start the beer or wine. That means you add grains [beer], yeast [wine] , or one of the other key ingredients to start the fermentation. You settle your tab and sign the small print [see below] . We do the rest of the work. You come back to bottle your treasures.

It's that simple! Have fun, save money and proudly bring home great beer and wine!

THE SMALL PRINT

The brew charge includes rental of all necessary equipment until I bottle. I authorize the operator to hold this product until I return to bottle and take home my wine or beer. I will abide by the Ubrew rules and sample no more than 3 oz while I bottle.
