## Rules of Engagement:

You start the beer or wine. That means you add grains [beer], yeast [wine], or one of the other key ingredients to start the fermentation. You settle your tab and sign the small print [see below]. We do the rest of the work. You come back to bottle your treasures.

**It's that simple! Have fun, save money and proudly bring home great beer and wine!**

## THE SMALL PRINT

I, \_\_\_\_\_ have purchased the ingredients and started the fermentation to brew this excellent product for my own personal or family use, not for resale or commercial purposes. The brew charge includes rental of all necessary equipment until I bottle. I authorize the operator to hold this product until I return to bottle and take home my wine or beer. I will abide by the Ubrew rules and sample no more than 3 oz while I bottle.

## REMINDERS AND KEY DATES

**Seniors' Wednesday.** First Wednesday of every month, **save 15%** of the ingredient cost. The regular brew charge applies. Come buy **December 6th** to claim your discount. Next Seniors' Wednesday ; **January 3rd.**

**Happy birthday!** Treat yourself on your birthday, you save **\$25.**

**Your 11th batch is free!** [almost] Take the average of your last 10 batches and deduct it from the kit component of the price. *The regular brew charge applies.*

We appreciate your support and we hope you appreciate our commitment to quality and service. Tell your friends, family and neighbours how easy it is to have great wine at affordable prices. Our **referral program** is simple. They get **10% off** when they mention your name, and you get **10% off** your next batch.

**We'll be closed December 24, 25 and 26 as well as December 31, January 1 and 2.**

## OOOPS! We won again!

We were so preoccupied with our move[s] this fall that we didn't realize that the Surrey Now-Leader was conducted their Readers' Choice campaign. Imagine how thrilled we were to learn that you once again voted us one of the best Ubrews in Surrey! Thank you so much to those of you who voted for us.

Although we have won every year since taking over SRBrewing, this one was totally organic and unexpected.
